**Code of Conduct for
the
Teacher Educator**

1. Teachers should be role models for students and follow the rules and discipline of the college.
2. A professor should adapt himself to the changing times with modern technology and follow the ideal code of conduct related to his profession.
3. While dealing with students, their individuality should be respected and discrimination on any basis should be avoided.
4. Along with our own educational development, we should strive for the development of our students and the college.
5. Quality should be maintained in every aspect of teacher training, where transparency should be maintained and confidentiality should be maintained where required.

**Code of Conduct for
the
Non-Teaching staff**

1. Every non-teaching staff of the college shall perform their duties efficiently and diligently in accordance with the necessary administrative standards framed by the management.
2. To maintain their professional knowledge and skills to perform their assigned duties properly and keep the college premises clean.
3. To assist in carrying out the functions related to the administrative responsibilities of the College and Management.
4. Students should be treated fairly irrespective of their caste, religion, political, economic, social and physical characteristics.
5. It is important that every task assigned to the employees is maintained to a high standard while doing it and where necessary, confidentiality rules are followed.
